

Greetings from  
Dayle & Teresa Kasner  
Corbett, Oregon - 2010

Our family at the Children's Christmas Party at the Portland Yacht Club this December 12th

Christmas dinner last year with of our family.

Our Woldridge Reunion group photo held in Watonga, Oklahoma at Roman Nose State Park.

Our Shaklee Family Reunion Group photo taken at Roman Nose State Park in August 2010.

We send our love from our little farmhouse in the Columbia River Gorge. We hope this note finds you happy and well.

Our dear mother, Betty Woldridge Shaklee Emery passed away at the age of 88 in the early Spring. The photo below was taken last Christmas when we visited her at her care facility, she was loved by all and was a cutie until the end.

Our family now numbers 14, our 3 children are married and happy and each has 2 children, we adore our 6 grandkids.

This summer Dayle and I found a larger travel trailer and had many fun adventures "camping". First to Fort Stevens State Park with Travis' family. Then on a 5,125 mile trip to Oklahoma for 2 family reunions on my side and to visit Dayle's brother Allen in Pryor OK. Then on to Mt. Rushmore, Little Bighorn Battlefield, etc. We also spent a week at Kahneeta Resort at Warm Springs and then 4 days at an ocean front RV park near Depoe Bay, OR. We loved it!

Dayle is continuing to improve from his colon cancer and prostate surgeries and is enjoying retirement. He's getting so many projects done around the farm that he didn't have time for before. We even have 3 chickens now!!

Teresa is still involved with the Daughters of the American Revolution and attends the monthly meetings with her sister Roberta. She volunteers with her younger sister Denise in the Visitors Center at Multnomah Falls and was just named "Volunteer of the Year" and elected as President of the Friends of Multnomah Falls. It's her 2nd year as President of the Portland Women's Forum and she volunteers for the Friends of Vista House.

We both are enjoying our retirement and spending time with each other, our kids and grandkids. "It's ALL good!"
